

# IV

## DESCRIPTION OF ONGOING EXTENSION AND DEVELOPMENT/SCHEMES IN THE DISTRICT

The extension and development scheme in Ranchi district is funded by the central and state governments. However, center and state sectors use a major part of the fund for those schemes which are planned at the national and State level. Thereafter these schemes are implemented through different agencies of departments.

The development departments namely Agriculture, Horticulture, Animal Husbandry, Sericulture, Fishery and Forestry have a technical setup which is catering to the needs of the farming community of Ranchi district. Besides these, Birsha Agriculture University at Kanke, Ranchi, KVK at Ram Krishna Mission, Ranchi, HARP at Paladu, Ranchi in Vegetable and Fruits, Central Insect Institute at Namkum and Central Tshar Research Institute at Nagri are also functioning to help the farming community in the district in their respective field.

Scheme implemented by Agriculture Department (2008 – 09)
